Scammers target residents with promise of coronavirus vaccine

Residents are urged to be on their guard against scammers using the promise of a coronavirus vaccine to con them out of money. Criminals across the country are contacting people out of the blue with offers of a coronavirus vaccination. These approaches have been made by text or from a recorded voice message on the telephone. In each case the recipient is required to respond by clicking a link in the text message or by pressing 1 when receiving the call. They are then asked to give personal information, as well as financial details to book their vaccination. However, these are scams, with criminals exploiting the pandemic to attempt to steal personal details and people’s money. The NHS is currently offering the COVID-19 vaccine free of charge to people most at risk from coronavirus. These people will be contacted by the NHS.

December update

Vale Communications

Measures to tackle illegal parking could be introduced in the Vale next year following Cabinet approval - Vale of White Horse District Councils’ Cabinet has agreed to move forward with proposals for Civil Parking Enforcement (CPE). The move could see responsibility for parking enforcement transfer from the police to a new team managed by Oxfordshire County Council by the end of 2021. Local councils can apply to the government to take on powers for Civil Parking Enforcement which allows them to fine motorists who park illegally or drive in bus lanes. If the application is approved by the government, a new team managed by Oxfordshire County Council would be launched to enforce on-street parking. It is hoped that CPE could be introduced in the Vale by the end of 2021.

understand that for others it could be challenging.

Old Abbey House - The decision by Vale of the White Horse District Council’s Cabinet to secure the future for Old Abbey House in Abingdon has been accepted by the Council’s Scrutiny Committee. The council expects to be able to announce the full details of the decision soon.

Community Infrastructure - Two consultations launch this week into how Vale of White Horse District Council raises money for infrastructure and community facilities needed to support planned growth across the District. The council is asking the public and local businesses and organisations to comment

on the draft Community Infrastructure Levy (CIL) Charging Schedule and the draft Developer Contributions Supplementary Planning Document (SPD).

These consultations relate to how the council raises money for infrastructure – the council also recently updated its strategy on how it spends that money.

The Community Infrastructure Levy Charging Schedule sets the rates developers are required to pay towards the provision of transport schemes, schools, community facilities, health and social care facilities, parks, green spaces, leisure facilities and more. The consultations on both draft documents run from Monday 11 January until midnight on Monday 8 February.

Winter Support Scheme

South Oxfordshire / Vale of White Horse District Councils have help for people who are struggling to afford food and stay warm this winter. The Winter Support scheme is available for households who have been hardest hit by the coronavirus pandemic. Support is available in the form of advice, supermarket and fuel vouchers or through the direct payment of energy or water bills. South Oxfordshire or Vale of the White Horse residents that are struggling to afford food or pay their fuel bills, may be eligible to receive help. They should get in touch with their nearest advice centre for further guidance or if you know of someone who is struggling please tell them to get in touch:

- Citizens Advice – 0300 3309042 (South and Vale)
- Wantage Independent Advice Centre – 01235 765348 (Vale)

Only one member (over the age of 18) per household can apply, and they must live in South Oxfordshire / Vale of the White Horse. The Winter Support grant will be available from 11 January until the end of March 2021. To find out more about the Government's COVID Winter Grant Scheme, visit www.gov.uk, and to find out what other support is available to you during the pandemic, please visit our COVID support, advice and guidance pages on our website www.southoxon.gov.uk
