Address	69 Barrow Road Shippon Abingdon Oxfordshire OX13 6JQ
St Helen Without PC's comments	St Helen Without PC would like the following concerns to be considered before a no objection could be submitted. The Garage raises a number of issues which need to be considered before planning permission is granted. 1) Loss of light to the front room of the granny annex - shown on the plans as a bedroom. 2) The position of the garage in the front garden and its impact on the street scene. (There are buildings on this side of Barrow Road built to the verge, see the Old Vicarage). 3) With the garage in this position is there the correct turning circle for vehicle access as there are no plans showing this? If all the above can be answered satisfactorily in planning terms, the PC would have no objection

Description	Replace existing flat roof over porch with new flat roof with projecting canopy. New timber pergola to the side of the property (single storey) with perspex roof over. Raise roof over existing dwelling to create new loft roof. New flat roof dormer with insulated cheeks and GRP roof over
Address	As You Like It Faringdon Road Shippon Abingdon OX13 6LN
St Helen Without PC's comments	The new front Porch, no objection. Ridge height to be raised by 0.94m, I have no objection to that. Currently the overall height to the chimneys (which are to be removed) is virtually the same as now proposed for the new ridge. There is precedent in Farringdon Road for roof ridge heights to be increased [The Moorings went from a bungalow to a house in the last 6 months] and I do not think what is proposed here will impact on the neighbours. When considering the overlooking and privacy from the proposed new roof dormers I have considered the position of the property on the plot as, unusually, it sits at an angle to its immediate neighbours. Saroman, to the north is not overlooked and any view is partly restricted by the ridge height of the existing rear extension of As you Like it. Wildmoor, to the south could be overlooked as the new dormer windows are less than 10 metres from that property; without plans or information on the windows at Wildmoor I cannot comment further but would ask the planning officer to inspect the site to ensure there is no adverse impact on Wildmoor. The pergola would appear to be very close to, or touching the boundary
